Ebook Details:

Review: A good book in that I kept reading, but there were some issues with unevenness in the writing style, repetition of events/comments, and an over reliance on some variation of We can image/picture/surmise, which did nothing but throw me out of the narrative. Really 3½ stars, but I cant say I REALLY liked it. (I noticed, theres a mismatch between Goodreads...

Description: The high-energy tale of how two socially awkward Ivy Leaguers, trying to increase their chances with the opposite sex, ended up creating Facebook. Eduardo Saverin and Mark Zuckerberg were Harvard undergraduates and best friends—outsiders at a school filled with polished prep-school grads and long-time legacies. They shared both academic brilliance in...
